BNSF Logistics Expands Presence in Mexico

April 20, 2017

Dallas, TX – BNSF Logistics, LLC, a leading multi-modal third-party logistics service provider, is expanding its presence in Mexico through its subsidiary, BNSF Railway Servicios de Logística, S. de R.L. de C.V. The new Querétaro location will primarily handle Mexico moves with expertise in Over-The-Road Truckload, Temp-control, Flatbed, LTL, and Intermodal.

The opening of the Querétaro office is an important step in BNSF Logistics' ongoing investment and expansion efforts in order to better serve existing and future customers in Mexico. The new office allows Logística to build the market and provide Mexico with a new level of support that BNSF Logistics is known for in the global market.

BNSF Logistics has hired Luis Hernández to oversee the new Querétaro location. He comes to the BNSF Logistics team with more than 17 years of experience in the logistics industry.

"We are excited about our continued expansion in Mexico and adding the talent Luis and his team are bringing to our organization," said Dan Curtis, Chief Operating Officer of BNSF Logistics.
